PEN-MAR.

FRANKLIN COUNTY, PA.

A station on the main line of the Western Maryland Railroad distant 71 miles from Baltimore and 22 miles from Williamsport.

Pen-Mar, Maryland's Mountain Resort, is delightfully located on the summit of the Blue Ridge, and directly on the line of the Western Maryland Railroad. One may take the Pen-Mar Express any day (except Sundays), during the season, at 9 a. m. from Hillen Station, and in two and a half hours find himself on lofty peaks; spend six hours amid the life-giving atmosphere of the mountains, and arrive home at an early hour of the evening.

Pen-Mar is truly the gem of the Blue Ridge. The panorama of the Cumberland Valley is beyond doubt one of the grandest afforded in this country. Looking for miles in any direction, beautifully cultivated fields with harvests of grain, here and there a town or village, meet the eye and stamp indelibly upon the mind a scene never to be forgotten.
